Cause Toolkit

This toolkit is intended to provide your company with inspiration and resources to best engage employees in your Groundswell Workplace Giving Program, by highlighting Hispanic Heritage Month. You can choose from the resources included in this toolkit to determine what will work best to educate and engage your employees around this cause.

AN OVERVIEW OF HISPANIC HERITAGE MONTH

Hispanic Heritage Month is observed annually in September-October to celebrate the contributions that generations of Hispanic and Latinx Americans have made to American history, society, and culture. The beginning of Hispanic Heritage Month - September 15 - is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. Additionally, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Across the country, communities come together during this time in paying tribute to the generations of Hispanic and Latinx Americans who have positively impacted and enriched our nation and society. Many local and national nonprofits are working to empower, protect and support Hispanic communities across multiple issue areas.
